Alessia is a conceptual visual artist, her work is deeply influenced by Surrealism. Her artistic practice focuses around photography, blending traditional imagery with real-life settings and mixed media techniques to create her compositions.

Alessia is actively engaged with several artistic organisations, including ArtCan and Leamington Studio Artists (LSA), two organisations devoted to promoting visual artists at both local and internal levels. She served as a Trustee for LSA (2023-2024) and co-managed the LSA Art Room gallery (2024-2025) where she organised monthly themed exhibitions.

Her work has been showcased in numerous exhibitions across the UK, demonstrating her professionalism and dedication.

In addition, she has multiple years of experience curating exhibitions.
